LOCTITE®

Pneumatic Dispenser Shown

LOCTITE® EQ HD14 2K

HANDHELD DISPENSERS

Products Feature:

- Direct replacement for existing 2K handheld dispensers
- Improved ergonomics
- One dispenser compatible with all cartridge ratios (1:1, 2:1, 4:1, 10:1)
- Conversion kits for all 4 ratios are included with each dispenser
- Cartridge kits are interchangeable between manual/ pneumatic models

Pneumatic Dispenser Features:

- Improved balancing with cartridge installed
- Quick air exhaust mechanism to reduce drooling
- Increased dispense force for improved dispensing in high viscosity/flow adhesive applications.

Manual Dispenser Features:

- Dual drive rod mechanism and ratio selector switch for improved dispensing performance
